

YOUR CLUB NEEDS YOU!!

Social Secretary

As you know Dave Cowell is our Social Secretary and has done a fabulous job arranging numerous activities during recent years and especially in 2010. These have included 14 summer social runs, the "not cracker", festive training night, 2 camping weekends, awards night, ten pin bowling, etc etc.

With increased work commitments, Dave is in need of additional support.

Dave is now making plans for 2011 and needs your help to organise one or more of these events, with you taking full responsibility for setting up and adding your own flavour. This can be very rewarding and gives you the chance to give something back to the club.

If you are interested in helping with this role for 2011 then please let Dave or any of the committee members know.

Mendip Muddle

In a similar way, due to personal commitments and the workloads involved in the club website/membership of various club committees, Bryan Morley has stepped down from the Race Director role of the Mendip Muddle in 2011. With over 9 months to go before the next race this is a great opportunity for a member to become involved in organising one of our very popular races. There will be a proper handover with Bryan making sure all aspects of the role are explained and the new director is not left without any support.

Organisation for this race will pick up over the next few months so an early show of hands would be appreciated. We feel that this race would benefit from having a formal organisation committee which will help share the responsibilities for the race amongst several members and not just leave it all to one person. So if you are interested in becoming race director or if you would like to start by becoming a member of the race committee please let one of us know. Don't worry, if you do volunteer for the role of Race Director you will be given lots of support and Bryan will be on hand to provide assistance from now until race day (October 9th 2011).

With any of the above opportunities, if you are prepared to help in even just a small way please let us know and I am sure we can find something which will interest you and help your club into 2011 and beyond.

Best regards

Weston AC - Committee
