**CRECHE:** This will be open and fully supervised between 10:15am and 12:30pm. The crèche is located in an enclosed area on the 2<sup>nd</sup> Floor; follow the signs! Drinks and biscuits will be provided. **We can only accept those children who have been booked in advance on an entry form.** Minimum age: 12 months; Maximum age: 12 years. **RUNNING NUMBERS:** Race numbers will have your T-shirt size marked on the front. Please complete all details on the back of the race number, including any medical condition or allergies. All runners must wear their own number on the **FRONT** of their vest/fancy dress costumes. Numbers must **not** be given to other runners without **prior notification** to the race secretary. Failure to inform the race secretary can create significant results quality issues and can put runner safety at risk (e.g. incorrect emergency contact details, known medical issues, allergies etc). Race numbers should not be cut, folded or otherwise reduced. Anyone found running with an altered or unofficial number will be disqualified.

**If you are unable to run on the day, and wish to substitute another runner, then you must let us know BY SATURDAY 8<sup>th</sup> DECEMBER AT THE VERY LATEST by contacting the Race Secretary.**

If you have entered the race and know you will not be able to attend the race, please email the Race Secretary (contact details are below).

**FANCY DRESS:** A big part of what makes the Cracker such a fun race is the fancy dress which all runners are encouraged to wear. Remember, everyone must wear at least one piece of tinsel! Fancy dress judging for both teams and individuals will take place close to the Start near the Pier at 10:30am.

**THE START:** Will be by the Grand Pier at 11:00am. Please allow yourself sufficient time for the walk from race HQ to the start.

**THE ROUTE:** Please see overleaf for an illustration of the race route. The course is an accurate flat 10k, on a mixture of firm sand and good tarmac (road) surface. We regret the course is therefore considered unsuitable for wheelchairs. The route is well marshalled and signed with kilometre markers. There is a first aid post at the finish and a first aid vehicle will be following the runners to pick up anyone who has to withdraw. An ambulance is on standby. There is a water station at 5k, and at the finish, kindly provided by Bristol Water. For your own safety please follow any directions given by the marshals and always keep to the left hand side of the road.

**THE FINISH:** Please hand your timing chip to a race official, DO NOT leave the beach without handing in your chip.

**T-SHIRT:** Please collect your T-shirt on your way back into Weston College; the rear entrance should be used and will be signposted. This will give you fast access to the lifts/stairs for changing etc; then join Bulldog and the post-race party on the 2<sup>nd</sup> Floor.

**PHOTOS:** Photo-Fit.Net will once again be our race photographer. Register at <http://www.photo-fit.net> to receive your photos in your inbox.

We also thank North Somerset council, Bulldog for the great live music played at race HQ, staff at Weston College, Tiny Toes Day Nursery and all those friends of the race who have so generously helped with the organisation – without whom the race could not be held.

We are again grateful to John Joyner for agreeing to provide the commentary for this event.

A big thank you for supporting our event. The race organisers hope you have great run. Please log on to the Runner's World website at <http://www.runnersworld.co.uk> to provide any suggestions or comments on the event or email the Race Secretary.

**HANGOVER 10KM:** If the Christmas Cracker race has whetted your appetite, why not consider entering the Hangover 10km race on January 1<sup>st</sup> 2013?
