Dear Malcolm and the team at Weston AC,

Thank you so much for choosing to support Weston Hospicecare with the Christmas Cracker 2014. We thoroughly enjoyed being a part of the event and watching thousands of Santas running down Weston seafront!

On behalf of everyone at Weston Hospicecare I would like to thank you for so far raising a fantastic £6048.21 to fund patient care here at the Hospice. This amount includes what was raised through your 'Santa's In Training' initiative but doesn't include what was raised through sponsorship from the participants so I am sure there is much more to come. I will update you later next year on how much extra comes in through this channel.

As you know, we're reliant on sponsorship like yours to fund our free care and keep local people with life-limiting illnesses free from pain and afforded the dignity they deserve.

Our care costs nearly £3 million each year and we hope that, with the help of our community, we can continue to provide free care for as long as it's needed - whether that's in our Day Hospice, In-patient Unit, or out in the community.

Thank you once again for your support - we could not do it without you.

Yours sincerely,

Claire Dibben
