Slogging in the Sunday sun

It was a great showing by Weston AC at the Sodbury Slog, with 29 club members braving the notoriously muddy and wet, nine mile course on Remembrance Sunday. The race got off to a start after the playing of the Last Post and a two minute silence.

First WAC male to finish was Guy Bradford, continuing his current run of top form, and finishing in 1:04:14. Guy was followed by Marc Molloy in 1:07:08 and Andrew Kelsey in 1:08:43.

Cheryl Valentine was the first WAC female over the line in 1:17:42, followed by Madeline Cook in 1:37:39 and Ruth Green in 1:45:30.

Phil Tomlinson and Marc Bostock took on the Stroud Half Marathon and finished in 1:31:25 and 1:37:59 respectively.
