#### Notes To Volunteers:

- Thank you very much for volunteering; your help is always appreciated.
- If you would like to volunteer and you are not listed, please still come along; we need as many marshals as possible on the Prom at the moment with all the work going on.
- Stuart Haynes and Alan Johnstone, you are both free to run, as non-runners have taken your places on the volunteer list. If you decide not to run, please still come along and help out.
- Marshal's please could you meet with Jim Wotton and Malcolm on the slipway opposite the Pavillion at 7pm to collect a marshal vest. You don't come in the Pavillion before the race.
- If you need to discuss any of this, please feel free to contact me 07540 823017
