MESSAGE FOR:

MARK GRAY
MARK JONES
ALAN JOHNSTONE

You all kindly offered to give up your race to be a marshal. I am pleased to tell you we have enough non-runners come forward, so you are now free to run. Should you choose not to run, please still come along for a marshal vest, the more the merrier out there with the prom works, road works and the remaining Enduro set up to work around.

Thanks, Lesley

MESSAGE FOR ALL MARSHALS

Can we ask you to meet Malcolm/Jim Wotton over on the Knightstone slipway at 7pm, for your vests and last minute instructions. We are trying to keep as many people out of the Pavillion as possible, before the race, as we are having to use the upstairs bar due to flooding.

Thanks, Lesley
